How would you improve the app?

I would add instructions on each page so that users  
can understand where to go, because for me at first  
I was confused as to how to add events  
To my characters

What did you not like about the app?

I didn't like the aesthetic and color scheme of it

What did you like about the app?

I liked how thorough the event creation was  
So that we can be as specific as we need
